A Christmas thank-you from me

To:

Thank you for:

One thing I want to tell you (optional):

My drawing (optional):

From:

A sign-off, if I want one:

Parent prompts — keep separate from the note

Ask: “Who would you like to thank, and what for?”

Then: “What do you remember about it?”

Let your child draw, dictate, or write. Keep their words; no extra praise is required.

Read it back: “Is that what you wanted to say?”

Take a break if needed. Share the finished note privately, without this prompt strip.
